

SWISD Aquatic Center

Water Polo (C)

# Splashball June - Water Polo for Beginners (Fire) - M & W 10am - 2pm

Splashball is a fun, entry-level water polo program designed for kids to learn basic skills, build water confidence, and improve fitness in a safe, non-contact environment. Using a smaller ball and shallower water, it introduces foundational water polo concepts while focusing on fun and swimming. This water polo lesson-based program is designed for ages 7-11 athletes who are interested in learning the fundamentals of water polo. Session runs on Monday and Wednesday for four weeks. On the last day of class, we will play a Splashball game against the T/Th group! Drop off will be at the Southwest Aquatic Center. Pickup will be at McAullife Middle School, as lunch will be provided. THIS SESSION IS MONDAY AND WEDNESDAY, 10AM-12PM. DATES: June 1, 3, 8, 10, 15, 17, 22, 24, and 25. Join us on June 25 during class for the Fire and Armor Game
