

SWISD Aquatic Center
Water Polo (C)

Try Water Polo For Free: 7-12 years old

Curious about water polo? Join the Southwest Water Warriors for a free introductory water polo experience on August 28, 2026, from 5:30 PMâ€“7:00 PM. This event is designed for athletes ages 7â€“12 who are interested in trying one of the most exciting aquatic sports. Participants will work with Southwest Water Warrior coaches to learn the fundamentals of water polo, including passing, shooting, ball control, treading water, game play, and teamwork through fun, age-appropriate activities and drills. Water polo is a fast-paced sport that combines swimming, strategy, teamwork, and athleticism. This event provides a great opportunity for swimmers to experience the sport in a welcoming and supportive environment while learning new skills and making new friends. For safety reasons, all participants must be able to swim independently and unassisted in deep water. Athletes should be comfortable swimming without flotation devices and capable of participating in aquatic activities without physical assistance. No previous water polo experience is requiredâ€”just bring a positive attitude and be ready to have fun in the water!
